# XPERT MATHEMATICS COMPETITION

Online Qualification  
Rounds

London  
Elite Final

Boston  
Elite Final

# WHAT IS XPERT ?

- **Xpert is an exciting international competition for students in grades 5 to 12, focusing initially on Mathematics and aimed at rewarding academic excellence.**
- **The competition helps students strengthen their math skills while providing an opportunity to compete on a global level.**
- **Xpert brings together students, parents, and teachers to support young learners in transitioning from national to international success.**
- **As a dedicated educational platform, Xpert guides students to not only gain knowledge but also excel in their studies and represent their countries on a world stage.**
- **While starting with Mathematics, Xpert plans to expand into other subjects like Science, Coding, and English in the coming years.**

## 01

### Qualification Phase

- **Format:** Online qualification round for a chance to secure a spot in the Xpert Elite Final in the United States.
- **Language Options:** Participants can choose from three languages: English, Russian, and Turkish for their exams.
- **Communication:** The primary communication language is English.

## 02

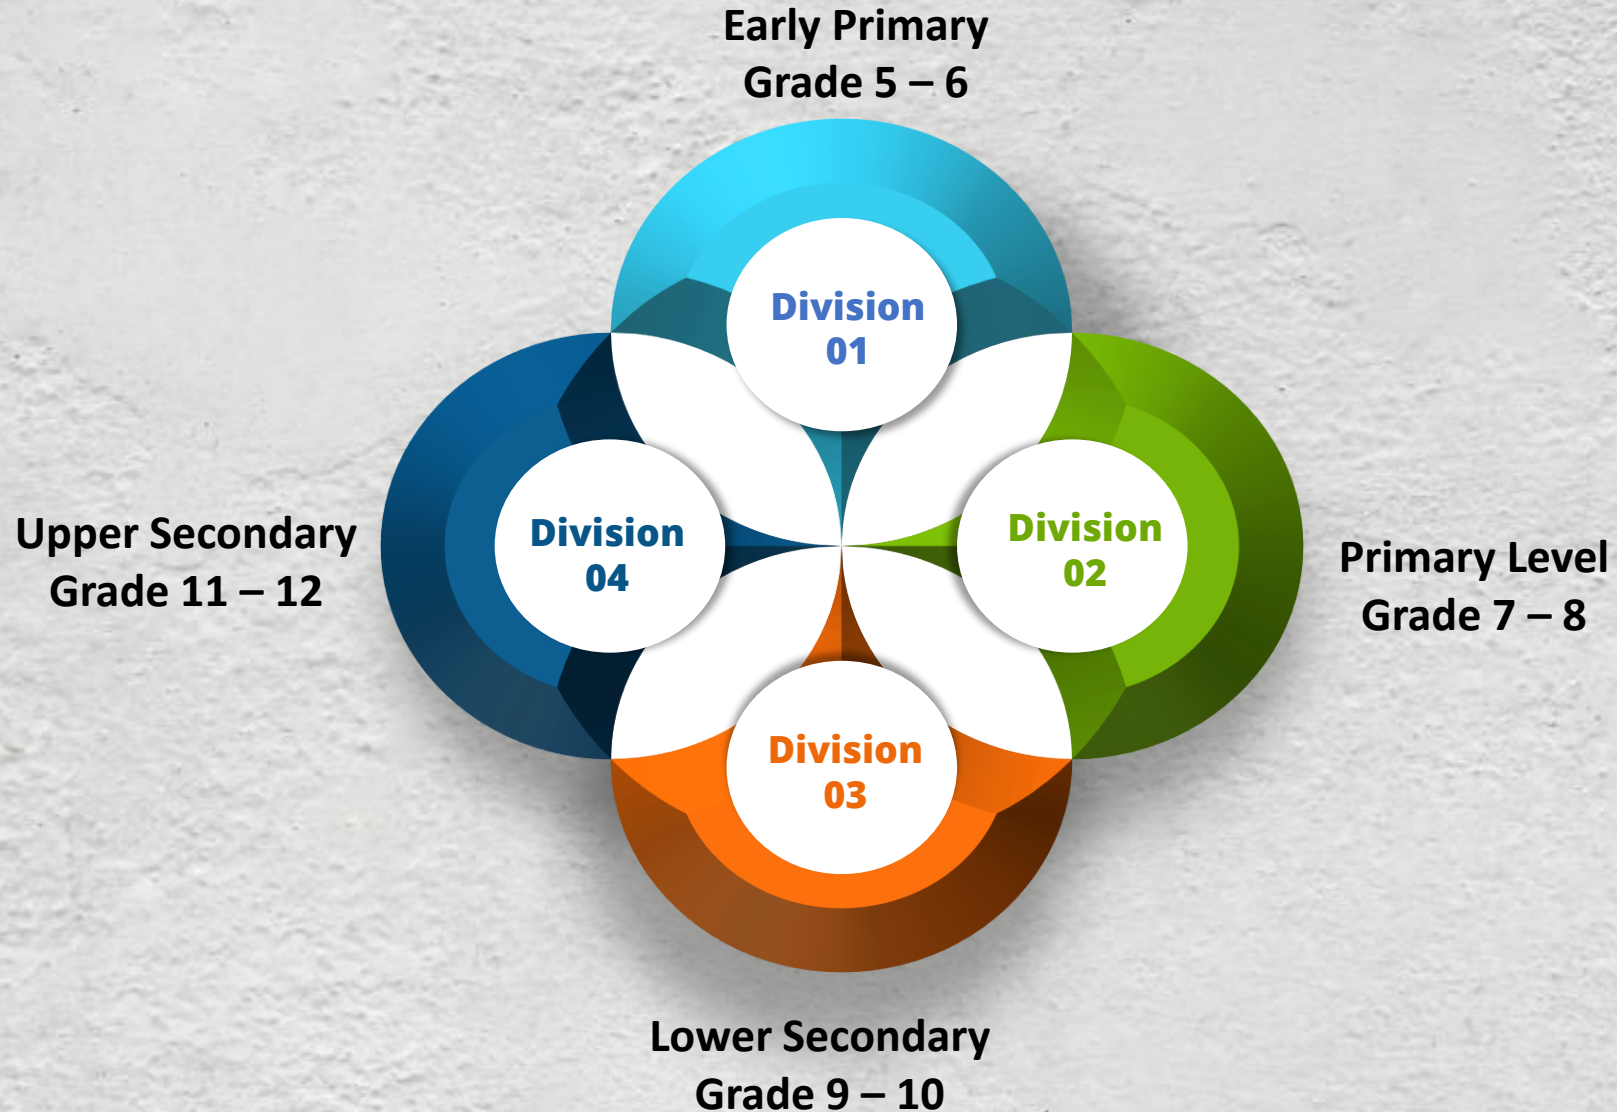

### Elite Final in Boston & London

- **Overview:** A prestigious international competition for students in grades 5 to 12 who qualify from the Xpert Qualification Phase.
- **Focus:** Challenges participants to showcase their knowledge and skills in mathematics.
- **Language:** The competition will be conducted in English only.

# WHO CAN PARTICIPATE?

- **Who Can Participate:** Students currently enrolled in primary or secondary school, from years (grades) 5 to 12.
- **Qualification:** Qualifying students from the Xpert qualification phase can compete in the Xpert Elite Final held in the United States and United Kingdom.
